

Attachment C
Lake Clark National Park & Preserve
Park-Specific Provisions – 2006- 2007

Revised: February 2006

These specific provisions are applicable to those commercial activities and areas authorized in your *Commercial Use Authorization*.

1. *Commercial Use Authorization Holder* shall ensure that each of its employees receives training in and reviews a copy of this *Authorization* including all conditions and stipulations.
2. *Commercial Use Authorization Holder* shall provide written certification to the NPS (upon request) that each employee received training in and reviewed a copy of this *Authorization* including all conditions and stipulations including the attached compendium.
3. *Commercial Use Authorization Holder* and its employees shall comply with the attached compendium which is incorporated as a part of the *Authorization*.
4. Any commercial trip will be limited to a party size of 15 persons including guides and assistants.
5. *Commercial Use Authorization Holder* camps shall not remain vacant more than 24 hours. All bear attractants including food and garbage will be removed while camps are vacant.
6. After a camp has remained in one place a maximum of 14 days, the same Commercial Use Authorization Holder may not reestablish a campsite on the original site for at least five days.
7. *Commercial Use Authorization Holder* may collect only dead wood from the ground for personal use as fuel for campfires. Live trees, standing dead wood, leaning dead wood or wood associated with historic structures or historic features may not be collected for any reason. The use of chainsaws is prohibited within Lake Clark National Park.
8. All fuel caches must have prior written approval from the Superintendent. A written request must include the exact location of the proposed fuel cache including a map and GPS coordinates (if available) AND the reason for the cache. If approved, all fuel caches must be removed from the park on or before November 15.
9. No personal or business property of any kind may be stored or left unattended for more than 48 hours without written permission from the superintendent.

10. All bear viewing activity at Chinitna Bay is limited to a specific designated bear viewing site. A maximum of 15 persons at any one time may occupy the designated bear viewing site. Designated trail access will be visibly marked at the high water line along the beach. Persons accessing the designated bear viewing site must use the designated trail access from the beach.

SUSPENSION, RESTRICTION, REVOCATION and DENIAL POLICY

12. This Authorization may be suspended, restricted or revoked in accordance with the NPS Alaska Regional Policy Number 700-001. A violation is defined as:
- a) Entering a plea of guilty or no contest or being found guilty of violating a state or federal law or regulation where a link exists between the offense and the business activity authorized by the *Authorization* regardless of whether the violation occurred in a unit of the National Park System;
 - b) Failure to comply with state or federal law or regulation where a link exists between the offense and the business activity authorized by the *Commercial Use Authorization Holder* regardless of whether the violation occurred in a unit of the National Park System and regardless of whether a court enters a finding of guilt;
 - c) Violation of 18 U.S.C. 1001, providing false information to any agency or department of the United States;
 - d) Failure to comply with a federal or state health or safety code or regulation when conducting activities authorized by the *Commercial Use Authorization*;
 - e) Failure to comply with the provisions and conditions of the *Commercial Use Authorization*.
